

E-Rx

E-Prescribing Solution

Qualify for an additional 2% Medicare annual reimbursement with E-Rx, Compulink's E-Prescribing system. Web-based and easy-to-use, Compulink E-Rx automates and simplifies the prescribing process to reduce errors and help you deliver better patient care. E-Rx also allows you to qualify for thousands of dollars in Medicare incentives available to providers who prescribe electronically.

*"Your patients will love...
E-prescribing.*

It offers more accuracy and less waiting at the pharmacy."

James E. Silone, Jr., D.O.

**Comprehensive
& Secure** E-Prescribing
